# Taizé-Style Meditative Service

December 3, 2017

*Taizé Chanting is a meditative chant, first sung in Taizé, France, which invites the singer into a meditative prayer while the singing of the chant regulates the breath. The singing makes room for a prayerful music during the chanting, and a prayerful silence after the singing ends. Please join each chant when you feel ready to join it; we will repeat each chant a number of times. The Cantor will begin the singing; you are invited to join in, as the chant is repeated.*

Welcome: The Reverend Margaret Schwarzer

Holy Scripture Reading from Matthew 5:14-16

You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

Silent response to Scripture (4 minutes).
